TEAMBUILDING

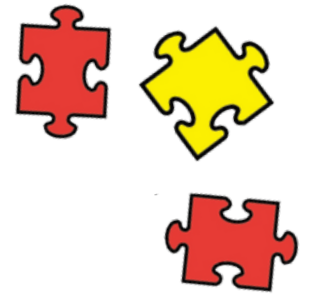

* *The Future of Team Building* *

Results-driven experience that transforms how teams
connect, communicate, and collaborate.

It's not just about fun, it's about impact. Our engaging challenges are designed to reveal real team dynamics, and our After Action Report provides clear, measurable insights you can use right away to strengthen performance. It's team building with purpose, and immediate ROI for your business.

Who We Are

At Puzzle Rides, we create unforgettable adventures that bring people together through immersive, interactive experiences set against the backdrop of Scottsdale and Prescott's rich history and vibrant charm.

Founded in 2020, Puzzle Rides is the brainchild of owners Katie and Gregg, who combined their love of Arizona and puzzles to handcraft every detail of the experience, from the clues and themes, to the routes and ride styles. Whether it's cruising through town with your group, or curating memorable team-building moments, they've created a one-of-a-kind way to connect, explore, and engage.

Unlike tours where you just sit and listen, Puzzle Rides puts you at the center of the action. Our puzzles range from jigsaws and crosswords to creative clues inspired by 5th grade lesson plans, mixed with nostalgic technology and toys from decades past. It's an experience designed to spark curiosity, laughter, and a sense of play—no matter your age.

Whether you're planning a team-building event, celebrating a special occasion, or just looking for a new way to experience the area, our passionate team is here to guide you from start to finish. We take care of the details so you can focus on the fun and walk away with memories that last long after the final puzzle is solved.

How It Works

1

Choose Your Experience

Choose between two exciting adventures. The Puzzle Ride takes you through Scottsdale or Prescott on golf carts, perfect for families, friends, or casual team fun. For a more focused team-building challenge, the Puzzle Relay is a fast-paced indoor experience designed to boost collaboration and communication.

2

Customize

Once you've chosen your experience, it's time to make it your own. With Puzzle Rides, you can select your preferred theme and difficulty level. Puzzle Relays are fully customizable, too: choose your location, decide whether to include golf carts, add food and drinks, and even wrap up with a post-relay debrief session led by our expert team for valuable team insights.

3

Book

Our activities cater to groups of all sizes, from intimate gatherings of two to large-scale events with over 200 participants. Whether you're planning a family outing, corporate retreat, or special celebration, we make booking easy and the experience unforgettable. Think of it like an escape room, only instead of moving from room to room, your team is out on golf carts, traveling from location to location across the city.

Puzzle Relay

Collaborative. Strategic. Ever-Changing.

What Sets Us Apart

- Low-tech, hands-on puzzles
- Real-time guidance from staff
- Customizable to your team
- Reflects real workplace dynamics
- Based on stages of team development

Teams of 3–5 rotate through fast-paced, 25-minute puzzle rounds, each featuring a mix of tabletop challenges and, if selected, an outdoor clue hunt using golf carts. We continuously rotate teams, ensuring participants work with diverse colleagues throughout the event. By the end, participants will have worked alongside up to 16 different teammates.

Puzzle Types

- Brain teasers
- Tabletop & logic puzzles
- Jigsaws & 3D builds
- Tangrams & more

The gameplay mirrors real-world team dynamics. It introduces workplace-style curveballs: teammates might leave mid-round or new players might jump in unexpectedly. It's all designed to test adaptability, communication, and problem-solving in a fun, low-pressure environment.

After the Relay

- Shared experience to bond over
- Sparks conversations for days
- Builds lasting team connection

Our staff stays closely involved throughout the experience, providing guidance, encouragement, and keeping the energy high. With a strong facilitator-to-player ratio, every team gets the support they need to stay engaged and on track.

- Want to include golf carts? The event must take place in Scottsdale or Prescott, and your group size must be under 100 people.

Collaborative. Comfortable. Focused.

 - Relaxed pace for deeper collaboration
 - Minimal staff involvement — puzzles solved independently

After the Relay

The Puzzle Rounds Challenge™ is a strategic team event designed to spark collaboration and friendly rivalry. We bring the entire experience to your venue, creating a seamless event that's perfect for corporate groups of all sizes. Tables of 8–10 are split into two competing teams, ensuring full engagement at every seat.

Each round, teams receive a locked Challenge Box and a Puzzle Box. One player serves as the Locksmith, working independently on the Challenge Box while teammates collaborate on the Puzzle Box. Once the Locksmith succeeds, they rejoin the team to finish the challenge together. After each round, Challenge Boxes rotate to new tables, mixing team dynamics and encouraging fresh connections.

The event builds to a Grand Finale where the Challenge Box itself becomes the ultimate puzzle. Teams must work together to unlock it, revealing a jigsaw and riddle to solve. The first to finish wins the Grand Prize, wrapping the experience with high energy and celebration. With turnkey simplicity, scalable structure for over 300 participants, and every detail provided, The Puzzle Rounds Challenge™ delivers fun, teamwork, and ROI all in one.
